EDUCATION

Institut National des Langues et Civilisations Orientales (INALCO) / Université Sorbonne-Nouvelle / Université Paris Nanterre, Paris (France)

Master of Science in Natural Language Processing (NLP)
September 2018 – September 2020

Thesis: "Implementation of a robust Automatic Speech Recognition system applied to the medical field".

Coursework: Programming in multiple languages, Statistical methods for corpus exploitation, Text Mining, Machine Learning, Diphone Speech Synthesis, Neural Networks for Speech Recognition.

Universidad de Navarra, Pamplona (Spain)

Bachelor of Arts in Hispanic Philology
September 2014 – May 2018

***Achievements*:** Honors Qualification in 16 courses, Extraordinary End-of-Degree Award Nominee.

***Coursework*:** Phonetics and Phonology, Lexicology and Semantics, Sociolinguistics and Dialectal Variation, Diachronic Linguistics, Morphology and Syntax, Discourse Analysis.

EMPLOYMENT

Grenoble Informatics Laboratory (LIG)

February 2020 – September 2020

NLP Trainee

Participation within the collaborative project *BabelDr*, between the Grenoble Informatics Laboratory (LIG) and the Faculty of Translation and interpreting (FTI) of the University of Geneva.

Main tasks:

- Language modeling via OpenFST, SRILM.
- DNN-HMM acoustic modeling using the Kaldi toolkit.

New York Habitat

June 2018 – September 2018

International Internship Program

ENG > SPA commercial translation: video transcriptions, travel articles, apartment reviews, client testimonials.

Universidad de Navarra
September 2016 – June 2017

Undergraduate Research Assistant
Research student at the Department of Philology.

Main tasks:

- Development of educational materials.
- Document classification.
- Proofreading: orthographic, bibliographic and typographic revision of academic papers.
- One-on-one tutorial assessment focused on academic writing.
- Targeted classes to non-native Spanish speakers.

LANGUAGES

Spanish	Mother tongue
English	Fluent *Advanced Certificate in English (CAE)*
French	Fluent *DALF C1 Certificate*
Italian	Notions
Russian	Notions

SKILLS

Programming Skills – Python, Perl, Bash, C++, Java, Git

Tools – Kaldi, OpenFST, TensorFlow, Keras, Praat, Docker, Latex, Vim, TXM, Adobe Photoshop, Unitex, Gate, Brat, Weka

Markup Languages – XML, XSLT, HTML, CSS

Query Languages – SQL, Neo4j, XQuery, XPath

PROJECTS

Toolbox Project – A quantitative research focused on morphosyntactic patterns found on the French newspaper *Le Monde*.

Structured Documents – Creation of a XML website including a series of programming exercises related to the markup language XML and its numerous features.

Grammar ASR Tools – Tool aiming to compile regular grammars so that they can be used within Speech Recognition systems.

ADDITIONAL INFO

Driving License (Category B)

Experiences Abroad in US (California, Oregon) and UK (Bath, Ramsgate)
